My name is:

I am  years old.

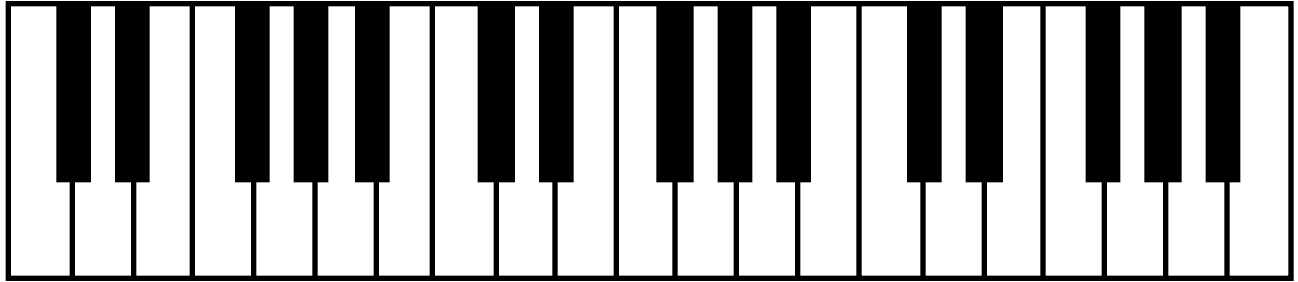

# Today I am starting Piano Lessons.

## Today's date is:

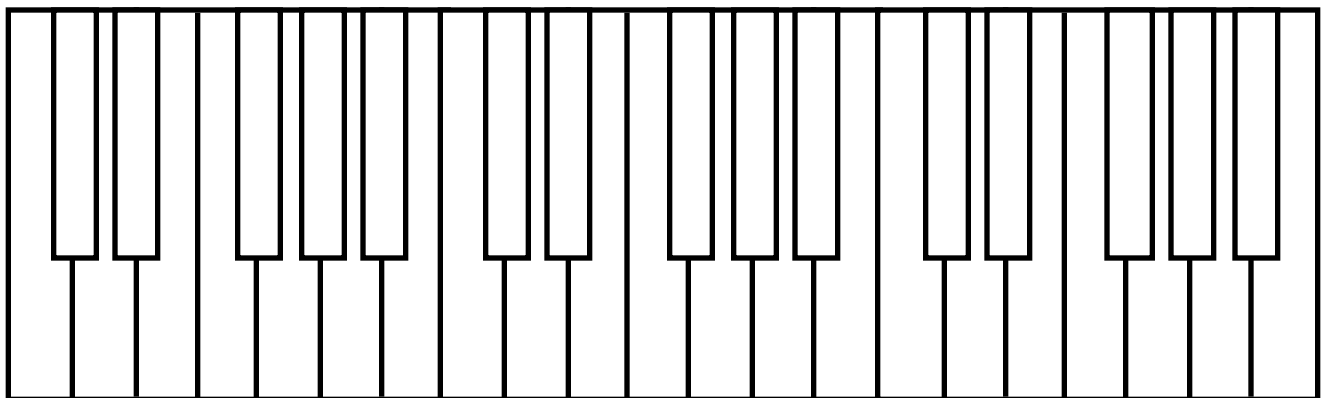

Keep this book as  
a memory of your  
first piano lessons...

Look at your piano keyboard.

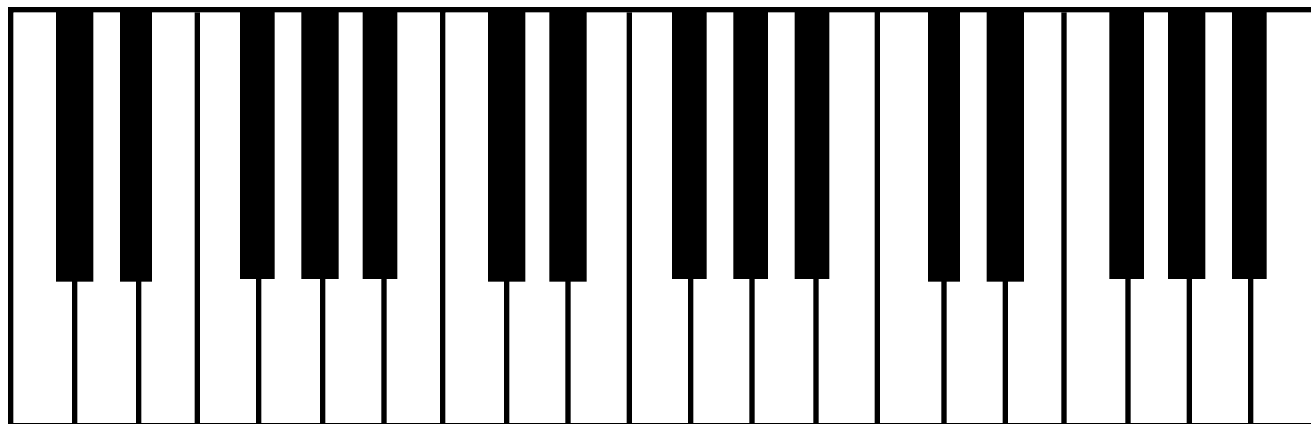

It has black keys and white keys.  
The black keys are short.

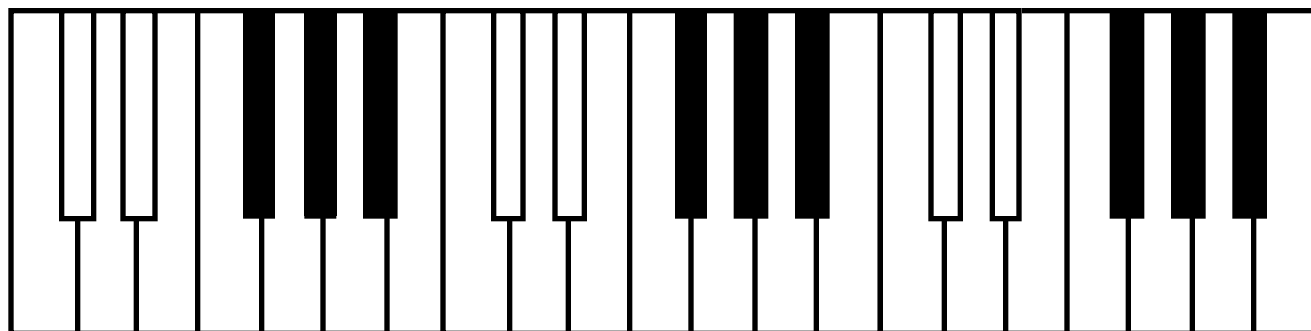

Color the short keys.

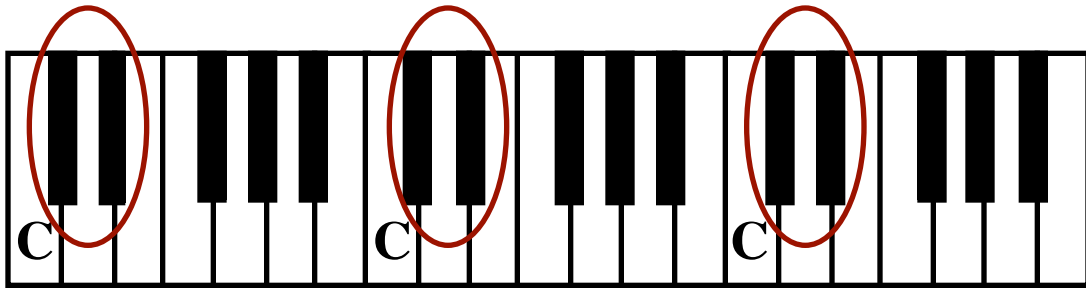

Circle the groups of 2 black keys.

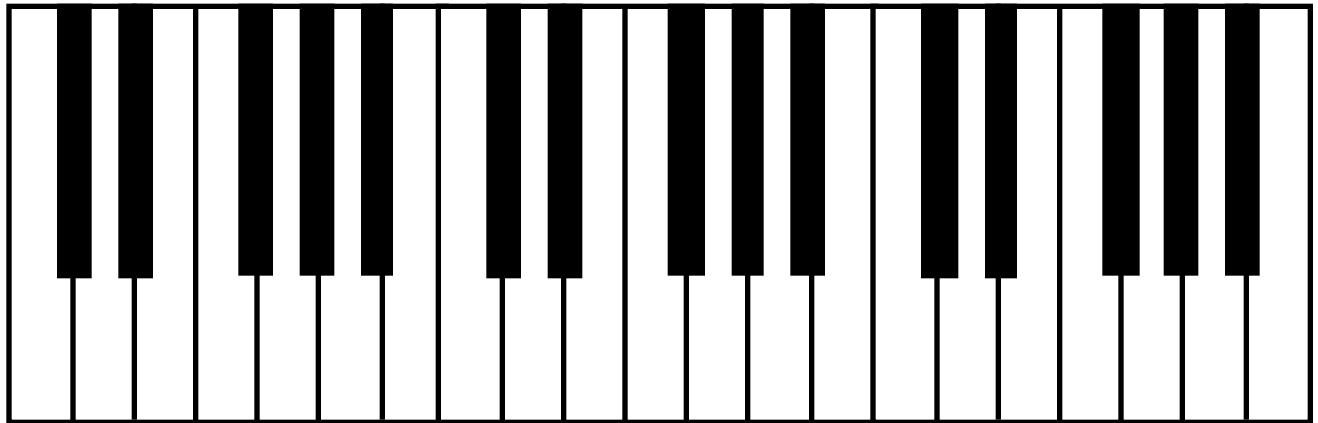

Color all the groups of 2 short keys:

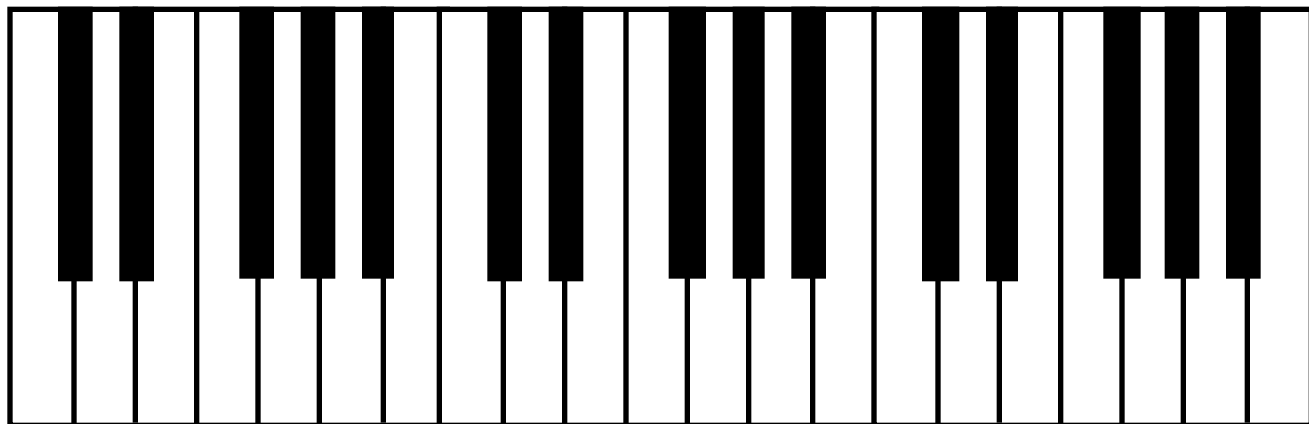

1. Circle all the groups of 2 black keys.
2. Color all the C's.

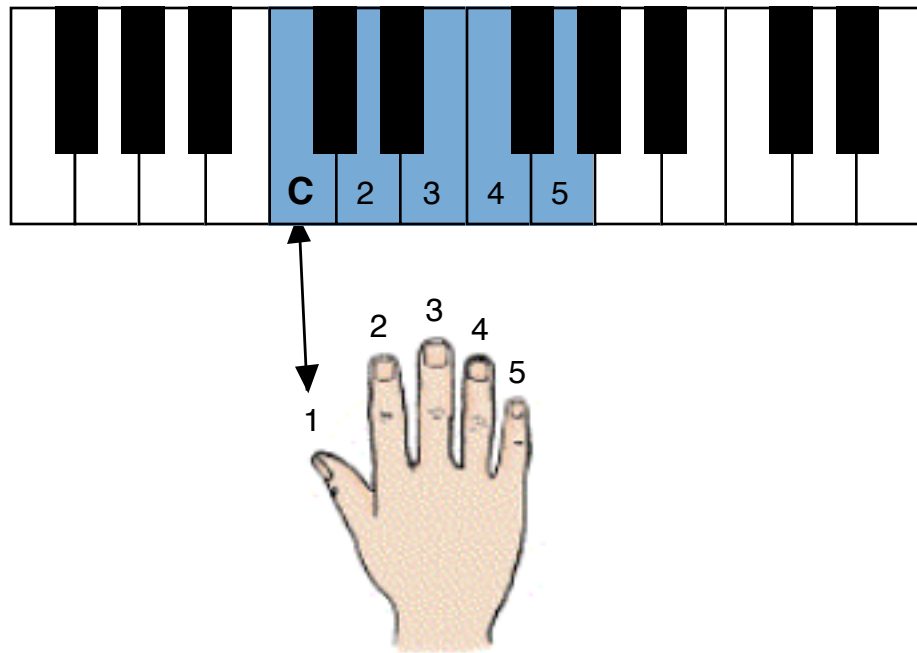

On your piano, find and play all the groups of two black keys.

Color all the C's.

Find and play  
all the C's on  
your piano.

# The C Position

This is how to place your right hand on the piano. Your thumb is finger #1 and it belongs on the C.

My other finger numbers match the numbered keys on the piano.

This is called C Position.

# Finger Position

- Place your thumb on C.
- Place your #2 finger on key 2.
- Place your #3 finger on key 3.
- Place your #4 finger on key 4.
- Place your #5 finger on key 5.

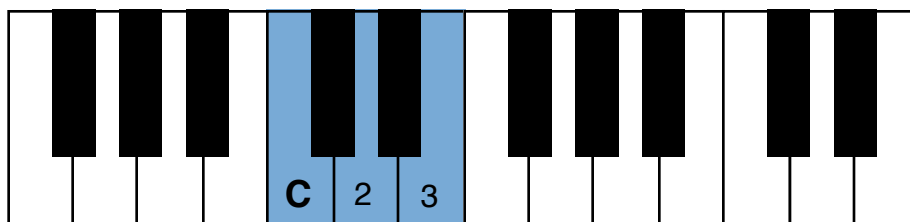

Let your fingers rest on the keys without pushing them down.

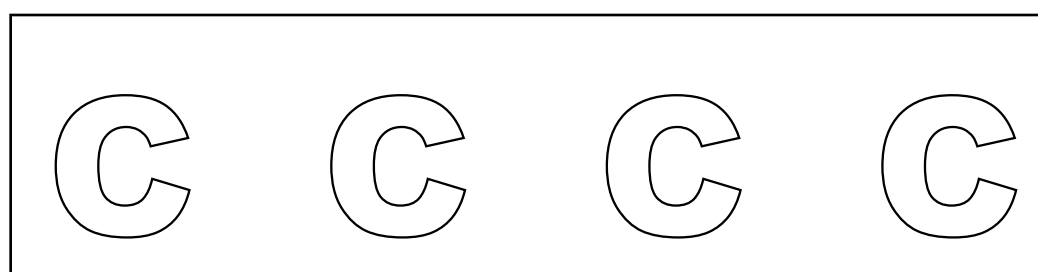

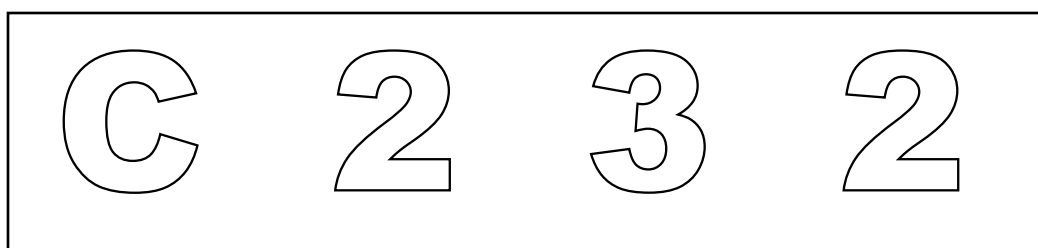

Play with your right hand

## See and Play

Try not to peek at your fingers!
