Take Your Bow

Take Your Bow is a collection of 20 concert pieces for beginner string players written by Celia Cobb and Naomi Yandell. Years of string teaching have given them the inspiration to produce pieces which will both delight and engage. Their imaginative writing strengthens rhythmic and stylistic concepts, whilst employing a variety of adventurous playing techniques that students will find to be a fun and achievable challenge.

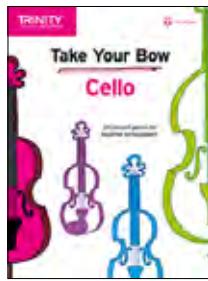

Each piece is compatible with any of the other instruments in the series, in any combination, making it an excellent resource for individual or group teaching. **Take Your Bow** is available in 4 individual editions – for violin, viola, cello and double bass, each with piano accompaniment – and as a separate full score.

NEW Trinity Performance Edition

Trinity Performance Edition showcases previously unpublished pieces by contemporary composers, with each edition dedicated to one composer and instrument. In 2019, the series launches with four books for violin with piano accompaniment and three for guitar, but other instruments will soon join this exciting new range.

Many pieces from across the series have been selected for Trinity syllabuses, while others make great transition pieces between grades. All are perfect for concert performance, and you'll find a range of playing standards in each book.

Performance notes, written by the composer, are available online along with further digital resources at trinitycollege.com/music-books

Acoustic & Plectrum Guitar

Plectrum Guitar has a new name: Acoustic Guitar. Trinity's new Acoustic Guitar Syllabus 2020-2023 will keep the same familiar exam format but feature an extended and exciting range of repertoire, including jazz, blues, folk, country, Latin and pop, with duets up to Grade 5. The existing Plectrum Guitar Pieces will remain valid as alternative repertoire for the new syllabus, providing much greater choice for candidates.

NEW Acoustic Guitar Exam Pieces 2020-2023

Trinity College London Press is pleased to announce three new books of graded repertoire for the Acoustic Guitar Syllabus 2020-2023, planned for release in Autumn 2019.

Featuring both fingerstyle and plectrum techniques, the books cover a wide variety of genres, allowing candidates to follow distinct stylistic pathways – jazz, blues, country, folk, Latin, pop. Duets are included up to Grade 5, and arrangements of well-known works sit alongside pieces specifically written for the syllabus.

The books also include all the best pieces from Trinity's existing and popular Plectrum Guitar Pieces (see below).

All pieces are printed with both score and TAB notation, and backing tracks are included as a free download.
